

# LETTER OF APPOINTMENT

## 聘任书

Dear Jingwei Zhang,

尊敬的张敬玮：

HeartCert Technology formally appoints you as a **Backend Development Engineer**. Your engagement is strictly defined as an **Independent Project-based Consultant**, effective August 2, 2026. The appointment shall remain valid for a period of three (3) months, concluding on November 3, 2026.

武汉归心科技有限公司正式聘任您为后端开发工程师。您的合作关系被严格界定为项目制独立技术顾问，本任命自 2026 年 8 月 2 日起生效，任命有效期为 3 个月，至 2026 年 11 月 3 日截止。

Your mandate includes leading the optimization of the proprietary Retrieval-Augmented Generation engine and exercising definitive arbitration over the HeartCert L9 AI Infrastructure Standard. You are authorized to enforce cross-validation protocols for all core architectural merges.

您的核心职责包括主导专有检索增强生成引擎的深度优化，并对归心 L9 级 AI 防伪基建标准行使部分架构裁决权。您获授权强制执行所有核心架构合并的双向交叉验证协议。

This appointment is governed by the executed *Non-Disclosure and Intellectual Property Rights Agreement*. All algorithms, logic models, and strategic architectures developed during this tenure are the exclusive property of HeartCert Technology, secured by a 500,000 RMB breach of contract liability clause.

本聘任受已签署的《保密与知识产权归属协议》管辖。任期内开发的所有算法、逻辑模型及战略架构均属归心科技独占资产，并受人民币伍拾万元整违约金条款的严格约束。
